

# Bhushan Ahirrao

## UX/UI Designer

I am passionate about crafting intuitive and visually appealing digital experiences. With a keen eye for detail and a user-centric approach, I strive to create designs that seamlessly blend aesthetics with functionality. I enjoy the process of understanding user needs, conducting thorough research, and translating insights into innovative design solutions.

## Experience

### 2019 - Present

Arya.ai | Mumbai

#### UX/UI Designer

- Developed Arya APIs from the ground up, emphasizing a user-centric approach for a seamless user experience and crafted an intuitive and visually appealing user interface, ensuring accessibility for a wide range of users.
- Designed a cutting-edge SDK for customer onboarding, adopted by major insurance giants such as ICICI Lombard, Liberty General Insurance, Future Generali Insurance and many more.
- Created analytical Dashboards to facilitate data analysis and enhance decision-making for different internal and external application.
- Contributed to the company's branding efforts by designing eye-catching graphic materials, including brochures, posters, flyers, and other essential business printables.

### 2016 - 2019

SYK Studio | Mumbai

#### Visual Designer

- Work closely with UX designers and design experts to guarantee smooth and user-friendly experiences. This partnership ensured that our user experiences are seamless and user-focused.
- Learned how colors, textures, and interactive features worked together to create user-friendly websites and apps.
- Accomplished mobile app design work, including projects like Payzapp, HDFC Mobile Banking, SmartBuy, HDFC Digital Application and more.

### 2015 - 2016

Ideatore Interactive Solution Pvt. Ltd. | Thane

#### Web Designer

- Embraced modern web design principles, crafting a stunning responsive websites those seamlessly adapt to various devices, delivering an exceptional user experience.
- Collaborated with fellow designers on projects including Hamvi Seafoods, Blu Oak Capital, Bend-N-Feb, Riya Thosar, Earthandair Films, Rao & Ross, Lahs Eco, and the Times Worli Festival in 2016.
- Led the design and front-end development on prominent projects such as Cryogen, Universal Aquasol, P.O.V. Brandcom, and KYP.
